

Garbage Sorting and Disposal (Shonan Region)

Please put your garbage out in the collection sites by 8 a.m. on collection days.

Burnable Garbage

● symbol on calendar

3 times a week

Please put your garbage in the designated semi-transparent garbage bags and tie the openings before putting them out.

Kitchen scraps
Cooking scraps, leftovers, fruit peels, eggshells, disposable chopsticks, shells, etc.
Be sure to drain kitchen scraps before throwing it out.
Cooking oil should be hardened or absorbed into paper.

Fallen leaves, grass
Please put them in the designated bags.

Plastic containers and packaging with stains that are difficult to be removed
Pre-packaged food bags, small packets for soy sauce, mustard, etc.

**Videotapes
Cassette tapes**
Multiple items can be tied together with string for collection.

Unrecyclable paper scraps
Used tissue paper, photographs, gold and silver paper, vinyl-coated paper, duct tape, carbon paper, disposable heating pads, diapers (waste should be removed), sanitary napkins, etc.

Tree branches, wood planks
Tree branches should be within 2 cm in thickness and 50 cm in length and tied together with string.
Wood planks should be within 20 cm in width, 50 cm in length, and 2 cm in thickness and tied together with string.

Note: Tree branches and wood planks with measurements of length, width, and thickness longer than designated above should be disposed of as non-burnable garbage as long as a total of the three sides are less than 1 m.

Plastic Garbage

◆ symbol on calendar (collection is also possible on ♡ symbol days)

Once a week

Please put your garbage in the designated pink garbage bags and tie the openings before putting them out.

Plastic containers and packaging
(Look for this logo)

Includes plastic containers, packaging material, and polystyrene foam that contained food products or detergent. Please make it empty and rinse lightly before disposal. If the stains are difficult to remove, please dispose of the objects as burnable garbage.

Polystyrene foam (items that don't fit into bags can be tied together with string for collection.)

Garbage is separated by hand after collection. If garbage is disposed of in double bags, the contents may not be visible and can lead to the workers being injured. Please place the garbage directly into the designated bags.

Plastic PET bottles

● symbol on calendar

Please remove caps and labels, rinse lightly and crush before placing in the collection net.

Look for this logo

Label Cap

Caps and labels should be disposed of as plastic garbage.

Please place items in the designated collection net (collection nets can be found at every collection site).

Twice a month

Non-Burnable Garbage

■ symbol on calendar

Twice a month

Please place contents inside a transparent or semi-transparent bag (such as plastic shopping bags) so that the contents can be seen and tie the openings before putting them out.

If the sum of the length, width, and height add up to a total of less than 1 m, it is non-burnable garbage. Larger objects are oversized garbage.

Smaller than 6 tatami mats and foldable

Plastic products
CDs, DVDs, planters, plastic containers, plastic buckets, etc.

Wooden products
Bamboo blinds, wooden tubs, bamboo brooms, tree branches and wood planks (exceeding the measurements for burnable garbage), etc.

Glass, crockery
Cups, mirrors, cosmetic bottles, plates, rice bowls, flower pots, heat-resistant glass, etc.

Leather, rubber products
Shoes, bags, hoses, etc.

Other
Carpets (smaller than 6 tatami mats), aluminum foil, stuffed animals, cushions (sponge material), etc.

Dangerous and Hazardous Materials

☀ symbol on calendar

Lighters (completely used up), blades, dry-cell batteries, mercury thermometers, mercury manometer, fluorescent tubes, etc.

Please release the gas.

Please wrap blades and other dangerous items in paper and indicate its contents by labeling.

Please place contents by category inside a transparent or semi-transparent bag (such as plastic shopping bags) so that the contents can be seen and tie the openings before putting them out.

Once a month

Recyclable Resources

◆ symbol on calendar

Once a week

Please place contents inside a transparent or semi-transparent bag (such as plastic shopping bags) so that the contents can be seen and tie the openings before putting them out.

Items will be collected by category

Empty cans
Beverages, food cans, spray cans (empty the contents), etc.
Please rinse lightly.

Empty glass bottles
Glass bottles for beverages, food, etc. (Cosmetic bottles should be disposed of as non-burnable garbage.)
Please remove lids and rinse lightly.

Used clothing, cloth, etc.
Used clothing (shirts, business suits, trousers, sweaters, jackets, underwear), sheets, blankets, curtains, floor cushions (cotton material), etc.
On rainy days, please place items in a plastic bag so that they stay dry.

Recyclable paper
Newspapers, cardboard, magazines, miscellaneous paper, paper cartons (please cut open and rinse)
Please sort by category and tie items together with string.

Metal items (items composed of over 50% metal)
Pots, kettles, frying pans, irons, umbrellas, toasters, wire hangers, air pumps, small electronics, etc.
Note: Items with measurements of length, width and height that add up to a total of less than 1 m

Oversized Garbage

(fees charged)

As a general rule, measurements of length, width and height must add up to a total of 1 m or more.
Oversized garbage cannot be disposed of at garbage collection sites. Please follow the following instructions for disposal.
Garbage can be taken directly to Clean Center Shirasagi. Please check back for details.

Applying for Oversized Garbage Disposal

- Please apply for disposal at Clean Center Shirasagi.
- Your collection day will be assigned during application.
- Please purchase an oversized garbage disposal ticket before the collection date (one ticket ¥800 plus tax).
- Place the tickets on the items you are disposing, and place them in front of your house before 8 a.m. on the assigned collection date.

Clean Center Shirasagi
☎ 04-7193-5389
Reception hours for applications
Monday to Saturday 8:30 a.m. to 5:15 p.m.
Note: As a general rule, a maximum of three items can be disposed of during a single application.
Those with hearing disabilities can contact Clean Center Shirasagi for applications and further questions.
Clean Center Shirasagi Fax: 04-7160-8989

Request for recycling small electronics
Please cooperate with us by disposing of small electronics (that fit into the 30 cm × 15 cm disposal slots) in designated collection boxes located at branch offices and other areas.
Note: If items cannot be taken to the designated collection boxes, please dispose of them as recyclable resources. (Please check back for details.)
