

Garbage Sorting and Disposal (Kashiwa Region)

Please put your garbage out in the collection sites by 8:30 a.m. on collection days.

Recyclable Resources

Recyclable paper

Newspaper
(includes advertising fliers)
Please do not put items in a plastic bag.

Magazines, miscellaneous paper
(wrapping paper, empty boxes, etc.)
Please place small-sized paper (such as note paper) in a paper bag and tie the items together with string.

Cardboard
Please do not use duct tape.

Paper cartons
(with white interior)
Please rinse, cut open, and dry before disposal.
Please don't dispose of on rainy days.

Used clothing, cloth

Clothing such as T-shirts, dress shirts, sweaters, stockings, underwear, and socks (do not remove buttons). Cloth such as curtains, sheets, blankets, and towels.

Quilted items should be disposed of as non-burnable garbage.

Please don't dispose of on rainy days.

Please tie items together with string.

Plastic PET bottles

Look for this logo

Caps and labels should be disposed of as plastic containers and packaging.

Please rinse lightly and crush before placing in the collection bags

Empty glass bottles

After filling the bags to the dotted line, please tie the openings together with string.

Bottles for cosmetics and homemade fruit wine should be disposed of as non-burnable garbage.

Please rinse lightly and place in the collection bags

Empty cans

Gas cylinders for portable stoves, spray cans, etc.

Please use up the contents of the spray cans and gas cylinders and dispose of them without opening any holes.

Please rinse lightly and place in the collection bags

Metal items

Items composed of over 50% metal (up to 30 kg weight and 3 m length)

Wire hangers, aluminum foil, gas stoves, frying pans, pots, kerosene/fan heaters (remove kerosene), microwaves (glass plates inside should be disposed of as non-burnable garbage), blades (wrap blade edges), bicycles, etc.

Please put a label 資源品 (Shigen-hin, recyclable resource) on bicycle saddles. Contact the Kashiwa City Renewable Resources Business Cooperative regarding the disposal of large metal items (over 30 kg/3 m).
