

Garbage Sorting and Disposal (Shonan Region)

Please put your garbage out in the collection sites by 8 a.m. on collection days.

Burnable Garbage

● symbol on calendar

3 times a week

Please put your garbage in the designated semi-transparent garbage bags and tie the openings before putting them out.

Kitchen scraps
Cooking scraps, leftovers, fruit peels, eggshells, disposable chopsticks, shells, etc.
Be sure to drain kitchen scraps thoroughly before disposal.
Cooking oil should be hardened or absorbed into paper.

Fallen leaves, grass
Place them in the designated bags.

Plastic containers and packaging with stains
Pre-packaged food bags, small packets for soy sauce, mustard, etc.

**Videotapes
Cassette tapes**
Multiple items can also be tied together with string for collection.

Unrecyclable paper scraps
Used tissue paper, photographs, gold and silver paper, vinyl-coated paper, duct tape, carbon paper, disposable heating pads, diapers (waste should be removed), sanitary napkins, etc.

Tree branches, wood planks
Tree branches should be within 2 cm in thickness and 50 cm in length and tied together with string.
Wood planks should be within 20 cm in width, 50 cm in length, and 2 cm in thickness and tied together with string.
Note: Tree branches and wood planks with measurements of length, width, and thickness longer than designated above should be disposed of as non-burnable garbage as long as a total of the three sides are less than 1 m.

Plastic Garbage (Plastic Containers and Packaging)

◆ symbol on calendar (collection is also possible on ♡ symbol days)

Once a week

Please put your garbage in the designated pink garbage bags and tie the openings before putting them out.

Items with "plastic" logo

If you are confused, check the following:

- Q. Is the item made of plastic?
Yes → Sort items according to the materials they are made of and form.
No → Non-burnable garbage
- Q. Is there a "♻️" (plastic) logo?
Yes → Plastic garbage
No → Non-burnable garbage
- Q. Can you remove stains by washing?
Yes → Plastic garbage
No → Burnable garbage

Do not double-bag items. Place items directly into the designated bag.

Styrofoam (items do not fit in the bag can be tied together with string for collection)

Plastic PET bottles

♡ symbol on calendar

Twice a month

Please remove caps and labels, rinse lightly and crush before placing in the collection net.

Look for this logo

Label Cap

Caps and labels should be disposed of as plastic garbage.

Place items in the designated collection net at the collection site.

Non-Burnable Garbage

■ symbol on calendar

Twice a month

Please place contents inside a transparent or semi-transparent bag so that the contents can be seen and tie the openings before putting them out.

If the sum of the length, width, and height add up to a total of less than 1 m, it is non-burnable garbage. Larger objects are oversized garbage.

Plastic products
CDs, DVDs, planters, plastic containers, plastic buckets, etc.

Wooden products
Bamboo blinds, wooden tubs, bamboo brooms, tree branches and wood planks (exceeding the measurements for burnable garbage), etc.

Glass, crockery
Cups, mirrors, cosmetic bottles, plates, rice bowls, flower pots, heat-resistant glass, etc.

Leather, rubber products
Shoes, bags, hoses, etc.

Other
Carpets (smaller than 6 tatami mats), aluminum foil, stuffed animals, cushions (sponge material), etc.

Smaller than 6 tatami mats and foldable

Dangerous and Hazardous Materials

☀ symbol on calendar

Once a month

Please place contents inside a transparent or semi-transparent bag so that the contents can be seen and tie the openings before putting them out.

Release the gas before disposal.

Wrap blades and other dangerous items in paper and indicate its contents by labeling.

Recyclable Resources

◆ symbol on calendar

Once a week

Please place contents inside a transparent or semi-transparent bag so that the contents can be seen and tie the openings before putting them out.

Items will be collected by category

- Empty cans**
Beverages, food cans, spray cans (empty the contents), etc.
Rinse lightly.
- Empty glass bottles**
Glass bottles for beverages, food, etc. (Cosmetic bottles should be disposed of as non-burnable garbage.)
Remove lids and rinse lightly.
- Used clothing, cloth, etc.**
Used clothing (shirts, business suits, trousers, sweaters, jackets, underwear), sheets, blankets, curtains, floor cushions (cotton material), etc.
On rainy days, place items in a transparent or semi-transparent bag so that they stay dry.
- Recyclable paper**
Newspapers, cardboard, magazines, miscellaneous paper, paper cartons (cut open and rinse)
Sort by category and bundle items together with string.
- Metal items (items composed of over 50% metal)**
Pots, kettles, frying pans, irons, umbrellas, toasters, wire hangers, air pumps, small electronics, etc.
Note: Items with measurements of length, width and height that add up to a total of less than 1 m

Oversized Garbage

(fees charged)

As a rule, measurements of length, width and height must add up to a total of 1 m or more.
Oversized garbage cannot be disposed of at garbage collection sites. Follow the instructions on the right for disposal.

Garbage can be taken directly to Clean Center Shirasagi. Please check back for details.

Applying for Oversized Garbage Disposal

- Please apply for disposal at Clean Center Shirasagi.
- Your collection day will be assigned during application.
- Purchase an oversized garbage disposal ticket before the collection date (one ticket ¥880 with tax included).
- Place the tickets on the items you are disposing, and place them in front of your house **before 8 a.m.** on the assigned collection date.

* See back for the list of ticket-handling stores.

Clean Center Shirasagi

☎ 04-7193-5389

Reception hours for applications
Monday to Saturday 8:30 a.m. to 5:15 p.m.
Note: As a general rule, a maximum of three items can be disposed of during a single application.
Those with hearing disabilities can contact Clean Center Shirasagi for applications and further questions.
Clean Center Shirasagi Fax: 04-7160-8989

Request for recycling small electronics

Remove batteries (including rechargeable batteries) and dispose of as hazardous garbage.
Dispose of small electronics (that fit into the 30 cm x 15 cm disposal slots), such as mobile phones, electric shavers and game devices, in the used small electronics collection boxes located in 18 locations in Kashiwa City.
Note: If items cannot be taken to the designated collection boxes, remove the batteries, dispose of the small electronics as non-burnable garbage and the batteries as dangerous/hazardous garbage. (See back for details.)
